

Request for Proposals for Public Art

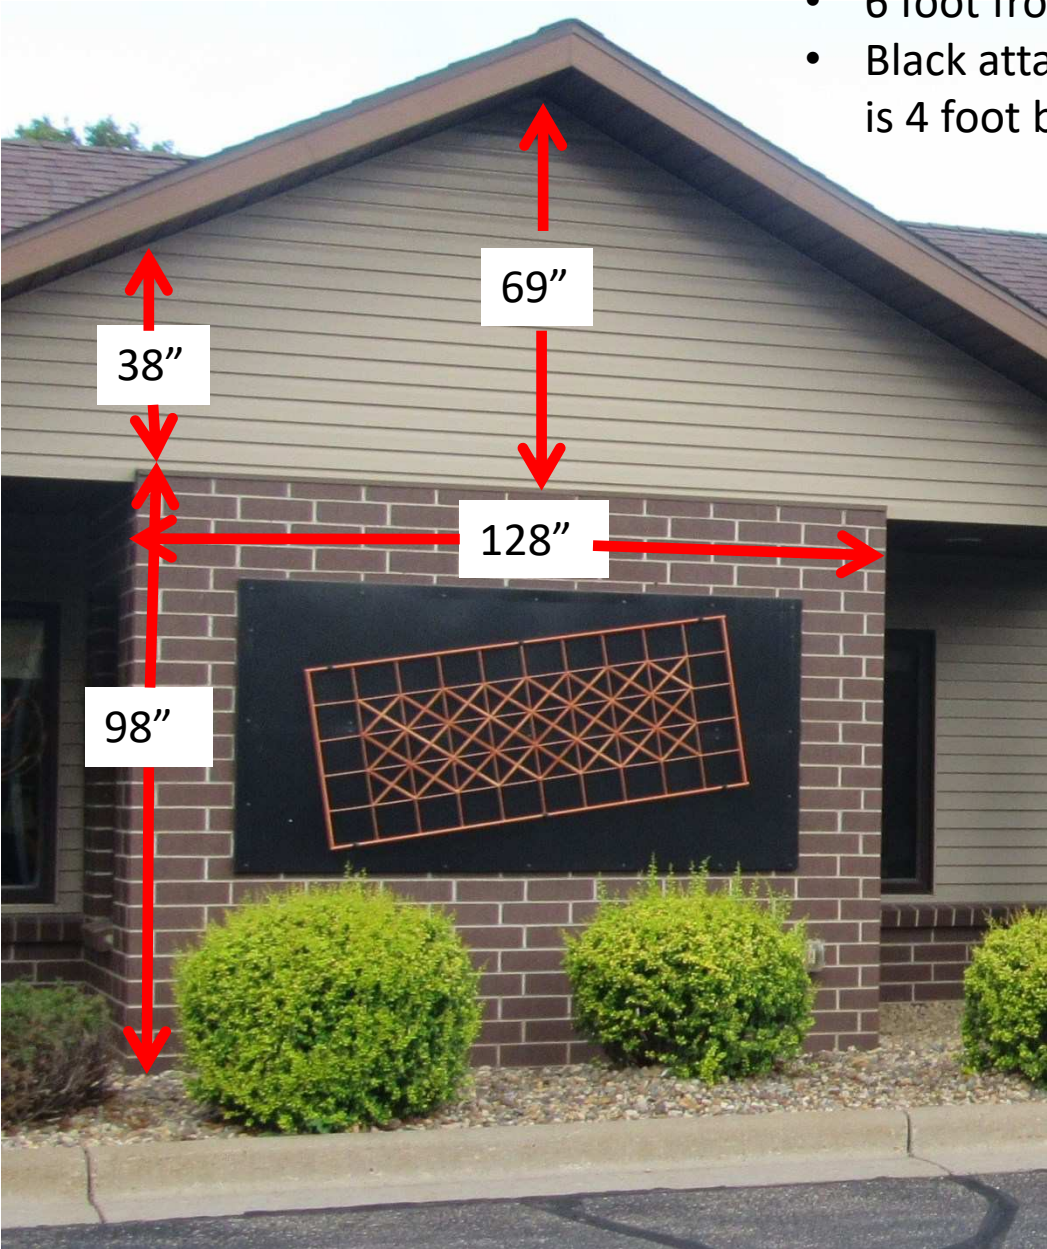

The Faribault Area Chamber of Commerce and Tourism is seeking an area artist to commission for an outdoor sculptural project.

On December 23, 2017 a long time employee and beloved colleague Barb Larson was murdered in our facility. This artwork will be dedicated to her life.

1. **Concept:** (symbolic public art memorial, 2 or 3 dimensional) The concept we would like to impart is depicted in the attached word cloud. These words were submitted by many who knew and admired Barb. The word appears larger when it is mentioned more times.
2. **Location:** The installation will be at 530 Wilson Ave Faribault MN. The space available is approximately 11 high X 10 wide with a 6 foot depth maximum. (Photos attached) Artists are welcome to visit the space with or without an appointment. We are looking for work that will complement the architectural design of the building and evoke to the qualities of our friend.
3. **Budget:** The quote provided must include the finished piece, all submission and presentation costs and full cost of installation. We anticipate a total budget of \$4000.00. If your quote exceeds that amount but has an exceptional design requiring the higher cost it may be considered.
4. **Conditions:** Artists must submit a resume that indicates experience or capacity to complete the proposed project. Samples of past work must be included. A complete production timeline should be submitted with your proposal. Any assistance required for installation must be identified.
5. **Calendar:** Submissions will be accepted through March 24, 2017
After the selection is made at the end of April the artist be notified by May 1, 2017 and will have approximately 100 Days to complete the project and installation.
6. **Jury process:** Submissions will be reviewed by a Chamber Task force and must be provided electronically to Kymn Anderson (kymn@faribaultmn.org) The task force includes chamber members who have special connections to the person being memorialized. Submissions may be in the form of drawings or models and must be shown in perspective to the building location as outlined above and shown on attached photos.
7. The Task Force may request an interview or presentation after their initial review. The Task force recommendations will be presented to the Chamber Board of Directors for final approval on April 25, 2017.
8. **Payment schedule:** After the award has been made a payment plan will be addressed offering partial payment in advance of completion.

Other;

- 6 foot from brick face to curb
- Black attached metal facing is 4 foot by 8 foot
