1. Introduction
   a. My name is Brian C. Peterson. I'm 52 and have lived in Faribault all my life. I'm a married for 23 years father of 3 and been employed at Bosch Automotive Service Solutions (the old OTC) in the engineering department for 28 years.

2. Why are you running for Mayor?
   a. 2 reasons, the current mayor ran unopposed the last time the mayoral office was up for election and taxes.

3. What are your top 3 qualifications /experiences that prepare you for the job?
   a. I'm new to it, so I'll ask more questions that start with "why".
   b. I'm new to it, so I'll start with "Government shouldn't…"
   c. I'm new to it, so I'll not just go along to get along.

4. What is your take on housing needs in Faribault and how do we inspire more home ownership opportunities?
   a. Faribault should have more home ownership. I'm not in favor of 100 unit apartment complexes. We should welcome more home building and encourage just that by lowering property taxes and revamping the extensive permitting process for building and remodeling.

5. What do you consider the biggest opportunity for improvement for a City of Faribault Service?
   a. Looking at everything current and asking how it benefits the property owner

6. What role should the City Council play in addressing mental health?
   a. None

7. What is your top goal for the city specifically relating to the Vision
   a. Revise and reduce the actual city involvement of this, put more on to the actual community to encourage and flourish with organic growth.
